

CareerFest

From Wednesday of Week 2 to Wednesday of Week 3. CareerFest kicks off with the Part-time Job Seminar and headlines with the Job & Internship Fair. Attend 2 out of the 6 events, plus the Job & Internship Fair to be entered in to a drawing.

Part-time Job Seminar

At the Part-time Job Seminar you will learn how to balance work and school.

- Learn about current job openings
- Register to work on-campus
- Get tips for living the “student life”
- Jump-start the job search process

Wednesday Week 2

Resume Workshop

The resume workshop will help you develop an effective resume.

- Learn the newest software that makes resume writing simple and fun
- Understand the resume as your strongest marketing tool
- Create your first resume

Thursday Week 2

Alumni Panel

Hear how Alumni made it in the real world. Alumni from various programs speak out about life after AI and their road to success.

- Connect with industry professionals
- Q&A opportunity to ask questions about your field
- Get advice about making the most of your education

Friday Week 2

The Art of Networking

Learn to make a lasting 1st impression during this simulated networking event

- Tips on professional dress and presentation
- Develop a 30-second marketing pitch
- Overcome fears and anxieties about networking

Monday Week 3

Resume Cafe

The Career Services Staff will be on hand to meet with you one-on-one.

- Tailor your resume to a specific job
- Learn effective formatting
- Get personalized feedback from industry experts

Tuesday Week 3

Job & Internship Fair

Companies will be on-campus to recruit for part-time, internships, and freelance jobs

- Schedule an interview
- Meet industry professionals in your field and practice networking
- Learn about different companies
- Practice your 30-second elevator pitch on an actual recruiter
- Get a job or internship!
